ALAMON INFRASTRUCTURE SERVICES

# WHO WE ARE

For nearly five decades, Alamon has been a key resource for Communication, Utility, Energy and Enterprise technology deployment throughout the U.S.

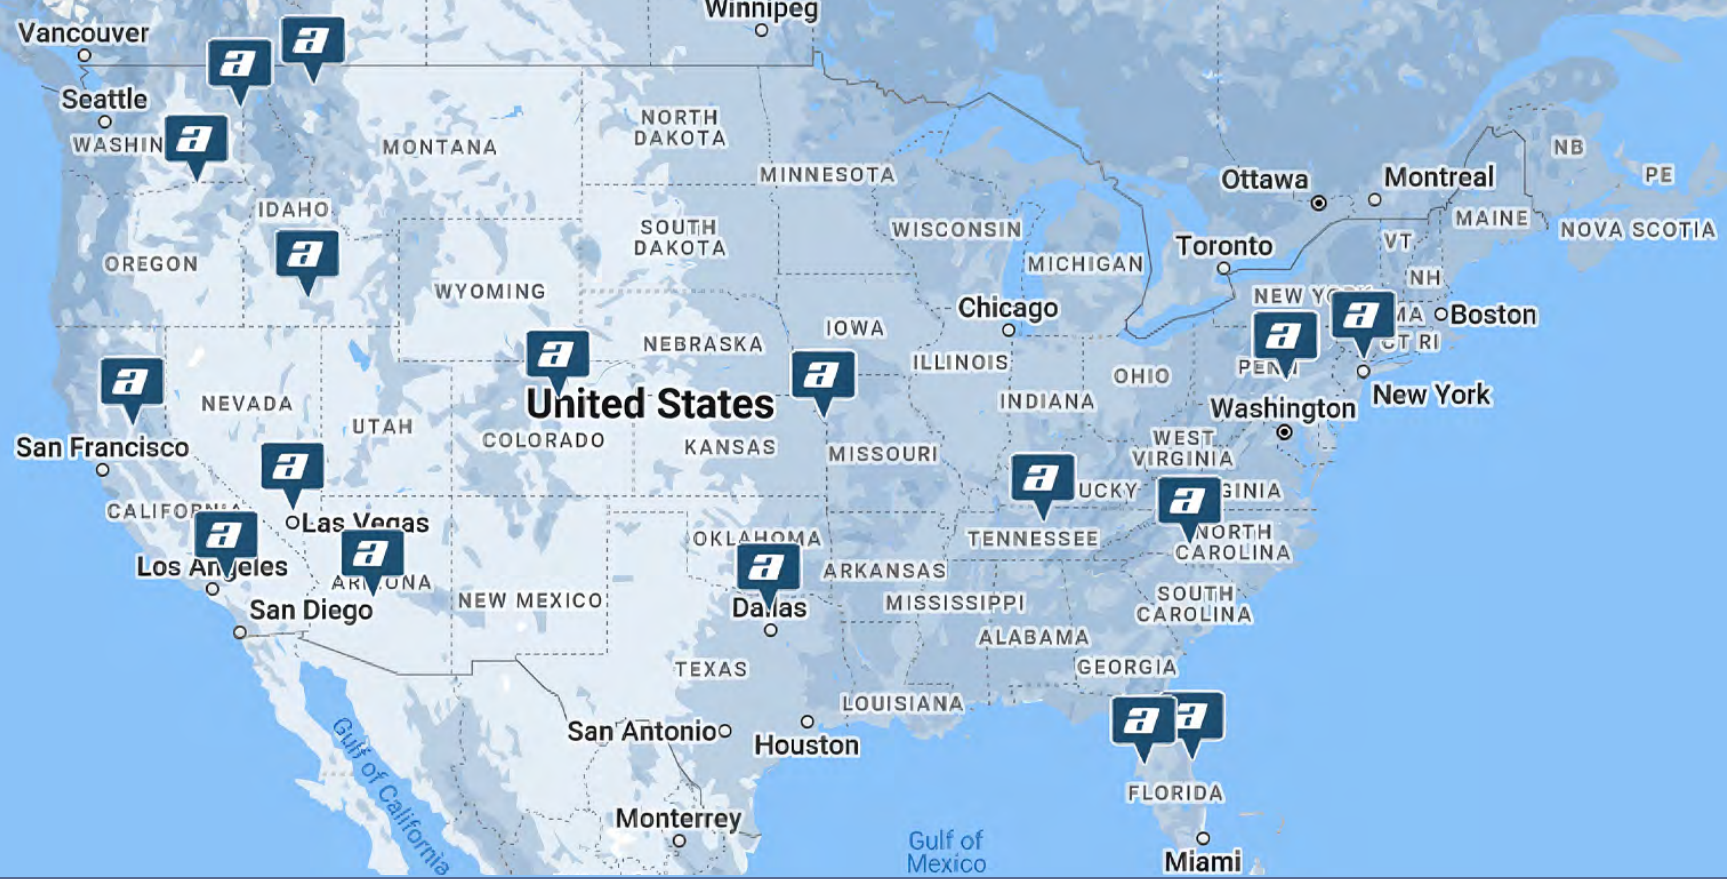

Employee-owned, safety-focused and known for sustained excellence and exceptional customer service, Alamon self-performs a wide variety of critical infrastructure installation and maintenance services for some of the nation's largest communication, energy and utility companies.

From AT&T and Avangrid on one end of the alphabet, to T-Mobile, Verizon, and Ziplly on the other, Alamon has been trusted with the infrastructure of industry leaders on a wide variety of projects with varying scopes of work.

### ALAMON UNIVERSITY

Alamon U was developed in-house specifically to address the challenge of training a mobile workforce, and is now an essential online learning environment for our employees across the U.S.

### SAFETY MANAGEMENT TECHNOLOGY

Alamon utilizes technology that provides real-time crew tracking and mission-critical on-site safety documentation, including Job Safety Analysis, Site Rescue plans, Personnel Certifications, Aerial Lift inspections, and more.

## ALAMON INFRASTRUCTURE SERVICES

# SAFETY COMMITMENT

Our culture and actions speak to our strong safety commitment. The Alamon Safety Committee consists of a broad range of members with decades of experience in the industries we serve. We engage with field and office personnel monthly to get our safety message from the top to the boots on the ground personnel. Weekly safety calls occur with each of our groups, and we continually evaluate and improve processes to ensure our teams go home in the same condition they came to work in.

ALAMON INFRASTRUCTURE SERVICES

# WHEN YOU WANT SOMETHING **DONE RIGHT**

Whether deploying 5G equipment for the nation's top wireless carriers, installing Battery Energy Storage Systems, or handling turnkey DC power engineering and installation in several states, our clients call on us because we do a lot of things right. Alamon is known for providing the highest levels of quality, service and craftsmanship on every project.

When it comes to work involving infrastructure and the complex technologies shaping our future, calling Alamon is the right call.

As an employee-owned company, Alamon has a strong culture of accountability, safety and quality workmanship that are the core strengths of our business.
